Information

There are a few things that we would like to draw your attention to from our market regulations that you have all read in order to be able to sell at our market.

1. The assigned marketplace is valid for all market days this year.
2. There must be at least 4 meters between caravans, campers, trucks and similar vehicles
3. There must be at least 4 meters between the building and the sales point
4. Rescue services, ambulances and police with associated vehicles must be able to move within the market area without difficulty.
5. All market stalls must be set up for sale on all three market days from 10 am to 6 pm.
You must not close before 6 pm on any of the market days.
6. No motorized traffic is allowed in the area during the market's opening hours.
This applies to EVERYONE except the police, ambulances and rescue services.
7. The company/vendor listed on the application must also be present at the location.
8. Sales outside the market's opening hours, 10:00-18:00, are **not** permitted.
9. Anyone who has applied and been allocated a place must notify us immediately if they do not intend to participate in the market. This applies whether they have paid for the place or not.
If cancellation is made later than 4 weeks before the market, they must still pay for the place. In case of illness with a doctor's certificate, other rules apply, check the market regulations.

Please Note that sent application does not guarantee a place on the market. Applications **received after the deadline** will be assigned a marketplace based on availability. This also applies to sellers who have been sellers on the market for several years.
