We Are Looking Forward to the Big Event of 2027 – Jokkmokk Market, February 4-5-6, 2027!

Hello,

Welcome to apply for a market stall at Jokkmokk Market!

We have now begun preparations for Jokkmokk Market 2027.

We are truly looking forward to welcoming both our returning vendors and all new vendors who wish to help us create another fantastic Jokkmokk Market together.

The 2026 market was my first year as Market Coordinator, and it was truly an honor to meet all of you.

Together, I believe we made the 2026 market a great success, with many vendors, an expanded market area, beautiful winter weather, and a wonderful atmosphere. We would love to do it all again!

We hope you would like to apply for a market stall and be part of Jokkmokk Market 2027.

Enclosed with this letter, you will find the application form together with some additional information.

We strive to provide a varied and attractive range of products and services and try to avoid having too many vendors offering very similar products, while recognizing that some competition contributes positively to the overall market experience.

Once the application period has ended, we will review all applications and allocate market spaces accordingly.

You will receive notification regarding your application and possible stall allocation in December.

We warmly welcome your application!

Together, we make Jokkmokk Market what it is!
